Supported Internships

What is a Supported Internship?

Aimed at those aged 18-24 this is a great opportunity for young people to develop their customer service skills in a friendly environment, whilst taking their first steps into the world of employment.

Why choose us?

Our free internships offer a unique mix of classroom based education, work experience and job coaching, individually tailored to each student. Includes 3 days of work placements and 1 day of classroom work each week.

Are you eligible?

- Are you interested in real work experience to get ready for a paid job?
- Are you aged 18-24 with SEND?
- Do you have a current EHCP?
- Are you able to learn to travel to placements independently?
- Are you available to undertake an internship programme?

Special Thanks to John Lyon's Charity whose funding and support have enabled Harington to establish this course offer
